PRELIMINARY AMENDMENT

Washington, D.C.
November 27, 1998

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Concurrently with the U.S. national filing of this application, please amend the present application as follows:

IN THE CLAIMS:

Please amend the claims as follows:

Please delete all reference numerals in paranthesis.

Claim 1. (Amended) A rotating electric machine comprising a rotor, stator and windings, the windings being arranged in several layers and including [forming] end windings outside the stator, [characterized in that] at least one of the windings
